DIGSAFE SERVICE MARK OUT REQUEST

*Please call Digsafe at 811 FIRST. They will provide you with a Digsafe ticket number you will write in below. Although you must call them and they will handle your request to other utility vendors, you must still request a mark out from us directly. This is free of charge and allows us to help indicate where your water service is located before work is being performed at your property.

Digsafe number _____

Property Address _____

Description of Work _____

Is the area pre-marked _____

Start Date _____

Name of Caller _____

Business Name (if applicable) _____

Phone # of Caller _____
