BARNSTABLE, MA 02630**

**PRUDENTIAL COMMITTEE MINUTES NOVEMBER 6, 2019**

The meeting was called to order at 4:00 PM by Prudential Committee Chairman William Jones at the District Water Department. Also, in attendance were Prudential Committee members Peter Eastman and Joshua Miller, Fire Chief Frank Pulsifer, Treasurer Rick Buffington Town Assessor Edward O'Neil and Clerk Charles Eager.

Mr. Jones reconvened the Classification Hearing. Discussion was had on using a split tax rate. At this time, it seems a little premature to change because commercial, industrial and personal properties made up less than 18% of the tax base. District will continue to monitor the tax base in the future to determine if a change would be beneficial. A motion was made, seconded and passed unanimously to use a factor of one.

Motion was made, seconded and passed unanimously to adjourn the meeting.
